Please place the delivery location listed above on Foster Blue Water Oil Courtesy Fill Service.

Courtesy Fill Removal Form

Customer Name: _____

Delivery Location: _____

Date: _____

Signature: _____

Please remove the location listed above from the Foster Blue Water Oil Courtesy Fill service. I understand it is my responsibility to monitor my tank and call to schedule my fuel deliveries.

Courtesy Fill Service: Foster Blue Water Oil LLC offers a “Courtesy Fill Service” to qualified customers. Your deliveries will be scheduled based on your consumption of fuel in relation to the average outside temperature. Foster Blue Water Oil LLC will calculate your deliveries to arrive when your tank gauge reads approximately 1/4. Upon completion of the delivery, the tank will be full.

Will Call Service: Will Call deliveries occur only at the request of the customer. We urge all “Will Call” customers to call their local office when their gauge reads 1/4. Our customer service representatives will schedule your delivery on the next designated delivery day for your route. Minimum delivery is 150 gallons.
